

LEAGUE TABLES AT 25th OCTOBER 2002

In traditional fashion, you will get the first League Tables in Bulletin 3. Meanwhile, here is a joke.

Several Grandmasters check into a London hotel near Chancery Lane, as they are playing a congress there that weekend. After checking in, they stand around by the reception desk talking about their recent successes. In a short while the Manager of the hotel comes along and asks them if they will kindly move on.

"Why?" asks one of them.

"Because it's only October", replies the Manager.

"And ....?"

"And it's not the time of year when I expect to find chess nuts boasting in a Holborn foyer."

**RUSHALL CHESS CLUB - REVISED DIRECTIONS**

The best course of action would of course be to avoid Bosty Lane entirely, and go another way. However, here are Rushall's revised directions for the less flexible.

"For players approaching the Rushall Club over Barr Beacon along Barr Common Road and Bosty Lane we recommend turning left at the lights at the White House pub (junction with Walsall Road) and proceeding along Walsall Road. Turn right at the next island along Aldridge Road and straight on at the next small island along Mellish Road. At the next island turn right along Lichfield Road. At the next set of lights turn right into Daw End Lane (by Macdonalds). King George's Crescent is 50 yards along on the right."

The matter of those on reception (not) knowing where the chess club meets is being addressed.

**LATE REGISTRATIONS (ETC)**

Because of an error the following were omitted from the Tamworth Div. 7 side shown in the last bulletin.

**TWO IMPORTANT MESSAGES FROM DAVE BRELSFORTH**

"I must stress to all players, yet again, that adjourned games in trophy matches must be resumed within 21 days. Rule 5.4(b) is quite clear. Twenty one days means 21 days; there are no exceptions, and I am not empowered to grant extensions. Any games not resumed within 21 days will be ignored in deciding the match result."

and secondly:

"There seems to be a problem with mail deliveries in the Kingstanding area, and several match cards posted to me have gone astray, including both home and away cards for two separate matches played on September 3rd. I would ask all team captains to keep their own records of their team's results, and at least their own players' names and scores in case this problem continues during the remainder of the season."
