

So I said "Well, Nigel, can you tell Simon that I haven't let the grass grow under my feet. I now play a rudimentary game of chess." He said "I don't care if you play a championship game of ice hockey; just don't get pregnant."

It transpires that the girl they'd slated to do the part had been living with a racing driver, and of course the inevitable happened.

Julie Walters in "Her Big Chance" by Alan Bennett.

**ANNUAL GENERAL MEETING OF THE LEAGUE**

I understand that the AGM has been fixed for 27th May, although I wasn't sufficiently awake to register at which venue it is to be held. Anyway, formal notice will be issued by Dave Rowe fairly soon.

Please return your trophies as soon as possible if you have not already done so.

**4NCL**

Mark Whitby of Birmingham University tells me that they are going to enter the Four Nations Chess League and invite applications from anyone who is interested. Obviously this does not prevent you from playing for your normal club in the BDCL. If you have a decent grade (say 140+) this may appeal to you, though players with lower grades may also be welcome.

Mark's address is given on page 54 of the handbook or you can contact him by e-mail at ug82msw@cs.bham.ac.uk

And finally congratulations to Redditch. It was close. Board 4 was the last to finish, and if Pete Broomhall had won board count would have been level and Wolverhampton would have won (by eliminating boards from the bottom up).

There will be one more Bulletin for this season to round up all outstanding matters (including the individual competitions).

With luck this will be available by the date of the AGM.
