

It's good to be the King
It's not good to be the Queen

- Mel Brooks (History of the World Part One)
- Camilla Parker Bowles

Am I alone in wanting to be ruled by King Charles and Queen Gorilla? We want step-princes and princesses; the House of Windsor succeeded by the House of Parker Bowles; Islamic ladies-in-waiting; and a Kosovan refugee as Home Secretary. Oh, and Al-Queda should have parity with Sinn Fein in a reconstituted Irish Assembly. That is the editorial policy of this newspaper, which traditionally punches above its weight in matters that deeply affect us all. Now here are the sports results.

HON GEN SEC - vacant position

The job of Hon. Gen. Sec. is to be divided up amongst a number of volunteers, but a candidate is still needed for the "top job". Will someone please put his name forward? More details of the residual duties in the next issue.

CHANGES TO THE FIDE RULES

There have been or are to be changes to the rules regarding mobile phones and writing down one's moves. The text adopted is "clearly defective" according to Dave Thomas, so the exact position is currently unclear. This may be discussed at the forthcoming Management Committee meeting under AOB.
